

ST ANNE'S NEIGHBOURHOOD CENTRE
(NEW CRECHE ROOM)

*We've started a group that's nice and new
Good for toddlers and good for you*

*Mums drink free coffee with time to chat
While kids have fun doing this and that!
They can do painting, make music and more,
Badge making and colouring it's fun galore.*

*For mums (and dads) there's lots to do
Making some jewelry and glass painting too.
If cake decorating is more up your street
Or making clay models, then oh what a treat!*

*A biscuit and juice helps wind up the day
And a story with mum, what more can we say
So come on in and say hello
You could have some fun and not want to go!!*
