EAST HANTS CO-ORDINATORS REPORT

24th April 2008

CO-ORDINATORS NEWS

In January HCFF published 'Data Sheets' entitled: 'Pre-schools' and 'Places to Go' in and around Bordon. These have been circulated to information points such as Libraries/Health Visitors etc - should anyone require copies then please let us know.

We have received several telephone/email enquiries, particularly from families with children/grandchildren in the Alton area who are looking for support and information on playschemes. We are publishing a listing of local playschemes in our summer newsletter, so please let us know of any schemes you might know about, particularly not for profit schemes.

DIRECTORIES

Unfortunately our bid for funding via Hampshire Community Foundation was not successful due to the very high number of applications this round. We will continue to seek other sources of funding to publish the directory, focusing firstly on Bordon & Liphook (where the data is more complete). Please pass to us any listing you feel should be added via Julie. We particularly need listings for the Alton area.

Hcff WEBSITE

Don't forget the Hcff web site at the following address: www.hcff.org.uk.

We can place all listings in the area and advertise events on the web site, so if there is anything you want listing please let us know. It is an excellent advertising tool for events and information.
