BORDON CO-ORDINATORS REPORT

6th July 2006

CO-Coordiators News

Since April I have been busy trying to find a way forward with regards to the Play park issue in the area. I have made some positive progress in the way that I was invited to attend the 'working party' meeting regarding play parks. Some positive outcomes came out of the meeting with the fact that no decision should be made until parents had been consulted with regards to location possibilities and also paren't, children and young people's views should be listened to with regards to what facilities should be available. The consultation is to be circulated in the new school year and the findings to be put forward in October. A long process but hopefully with parent's and those concerned having their say.

This project alone has taken up most of my time with the limited hours that I have.

I have also been on holiday for two weeks hence the late delivery of this report prior to the meeting.

MEETINGS ATTENDED

HomeStart
Hampshire Play Strategy
Working With Young People Surgeries

CONSULTATION EVENTS (Sure Start)

The consultation topic for this term has been more of a research topic on services availability for vulnerable children and their families. If you would like a copy of information I have found out, then please let me know and once it is available for general distribution, I will forward it asap.

NEWSLETTERS

I delivered 2,500 copies of the newsletter in Bordon, Blackmoor, Greatham, Liphook, Grayshott, Headley and Lindford. Most copies went into Schools but if you feel there is a need greater or that may be better, please let me know. I have applied for funding from a private sector and am awaiting the outcome.

DIRECTORIES

I have yet to update the directory fully and print copies off for the library and community centre and will endeavour to do get this done by Christmas.

HELP!

I am STILL searching for a Chairperson for the Bordon Branch; if you know of anybody who has a few hours (2-3) per month spare please encourage him or her to step forward. I would desperately like to get the Alton branch up on its feet and active within the community, but need someone with local knowledge and as they say two heads are better than one. On that note, if you would like to see anything happen within your community and have ideas of what might be able to be done, please let me know.

Hcff WEBSITE

Don't forget Hcff are now on the web at the following address: www.hcff.org.uk.

I can place all listings in the area and advertise events, anything you want placing on there please let me know. It is an excellent advertising tool for events and information.
