

DISCUSSION PAPER 0 – 19 HCFF NORTH DOWNS BRANCH

- Linda Cowley Agreed in principal with the concept. She feels that this age group are under represented locally and that it is a difficult area to get support for.
- Helen Bright Thought this was a positive step for HCFF
- Lesley Allen Raised concerns with amount of paper work and the time taken for all stages to be completed. How long would it take to make a difference. Lots of people already trying i.e: the youth service, community wardens etc. She also asked about the employment of staff and would they people with previous experience/knowledge of this field and was concerned that we would be trying to spread our expertise across too many things
- Joan Bunn Joined in discussion with regard to above questions and comments although she is new in post and her experience is in under 5's

North Downs voted YES for the EGM
