ARE WE GETTING IT RIGHT?

(2007/2008)

- An investigation into parents views on the help available for children who have experienced emotional, behavioural and social difficulties.
- Carried out in Hampshire
- On behalf of the Child Adolescent Mental Health Service (CAMHS)

www.hcff.org.uk

A report on this investigation has been completed and is currently being considered by the CAMHS Strategy Group .

The report and the recommendations for action based on the views expressed to us by parents and young people will be published here.

If you have any questions about this work please contact us on 01962 843677 or admin@hcff.org.uk
